

ELECTRONICA IN MUNICH, GERMANY **NOVEMBER 13 - 16**

Ossi Connectors will participate at one of the biggest trade fairs in the electronics industry, **E**lectronica.

Hall B4 Stand 116

At the exhibition stand we will present interconnection solutions for different applications within datacom, telecom, medical and instrumentation solutions.

Our dedication to develop expertise, flexibility and know-how have brought many successful products to the market. At the exhibition we would like to the opportunity to show you how we can be the strategic partner for your interconnection applications.

Join us at our booth in Hall B4.116 and we all at Ossi Connectors looking forward in meeting you there.

For further information about the exhibition please call +45 54 78 28 88 or e-mail mattias.carlsson@ossi.dk
