

Privacy statement

Ossi Connectors A/S online privacy statement

Ossi Connectors A/S respects your privacy and is committed to protect the personal information that you share with us. Generally, you can browse through our website without giving us any information about yourself. When we do need your personal information to provide services that you request or when you choose to provide us with your personal information, this policy describes how we collect and use your personal information.

Information collection

Personal information means any information that may be used to identify an individual, including, a first and last name, email address, telephone number, fax number, postal address and other contact information needed to provide a service you requested. When you browse our website, you do so anonymously. We do not automatically collect personal information, including your email address. We do log your IP address (the Internet address of your computer) to give us an idea of which part of our website you visit and how long you spend there. But we do not link your IP address to any personal information unless you have logged in to our website. Like many other commercial websites, the Ossi Connectors A/S website may use a standard technology called a "cookie" to collect information about how you use the site. Please go to "Cookies and Tracking Information" below for more information.

Ossi Connectors A/S collects personal information when you register to receive catalogue or when you submit your personal information to Ossi Connectors A/S for any other reason. From time to time, Ossi Connectors A/S receives personal information from business partners and vendors. Ossi Connectors A/S only uses such information if it has been collected in accordance with acceptable privacy practices consistent with this Policy and applicable laws.

Notice

When personal information is collected, we will inform you at the point of collection the purpose for the collection. Ossi Connectors A/S will not transfer your personal information to third parties without your consent, except under the limited conditions described under the discussion entitled "Information Sharing and Disclosure" below.

If you choose to provide us with your personal information, we may only transfer that information, within Ossi Connectors A/S or to Ossi Connectors A/S third party service providers with your permission. Upon receiving your permission, we may transfer your information across borders and from your country or jurisdiction to other countries or jurisdictions around the world.

Cookies and tracking technology

A cookie is a small data file that certain websites write to your hard drive when you visit them. A cookie file can contain information such as a user ID that the site uses to track the pages you have visited, but the only personal information a cookie can contain is information you supply yourself. A cookie can not read data off your hard disk or read cookie files created by other sites. Some parts of Ossi Connectors A/S website use cookies to track user traffic patterns. We do this in order to determine the usefulness of our website information to our users and to see how effective our navigational structure is in helping users reach that information.

If you prefer not to receive cookies while browsing our website, you can set your browser to warn you before accepting cookies and refuse the cookie when your browser alerts you to its presence. You can also refuse all cookies by turning them off in your browser, although you may not be able to take full advantage of Ossi Connectors A/S website if you do so. In particular, you may be required to accept cookies in order to complete certain actions on our website. You do not need to have cookies turned on.

How we use information collected

Ossi Connectors A/S uses information for several general purposes: to fulfil your requests for certain products and services, to personalise your experience on our website, to keep you up to date on the latest product announcements, special offers or other information we think you would like to hear about either from us or from our business partners, and to better understand your needs and provide you with better services. We may also use your information to send you, or to have our business partners send you, direct marketing information or contact you for market research.

Information sharing and disclosure

Because Ossi Connectors A/S is operating globally, your personal information may be shared with other offices or subsidiaries around the world. All such entities are governed by this Privacy Policy or are bound by the appropriate confidentiality and data transfer agreements.

Your personal information is never shared outside Ossi Connectors A/S without your permission, except under conditions explained below. Inside Ossi Connectors A/S, data is stored in controlled servers with limited access. Your information may be stored and processed in Denmark or any other country where Ossi Connectors A/S, its subsidiaries, affiliates or agents are located.

Ossi Connectors A/S may send your personal information to other companies or people under any of the following circumstances:

When we have your consent to share the information; we need to share your information to provide the product or service you have requested; we need to send the information to companies who work on behalf of Ossi Connectors A/S to provide a product or service to you (we will only provide those companies they are prohibited from using that information for any other purpose); or we want to keep you up to date on the latest product announcements, special offers or other information we think you would like to hear about either from us or from our business partners (unless you have opted out of these types of communications). We will also disclose your personal information if required to do so by law, to enforce our Terms of Use, or in urgent circumstances, to protect personal safety, the public or our websites.

Children and privacy

Our website do not target and are not intended to attract children under the age of 18. Ossi Connectors A/S does not knowingly solicit personal information from children under the age of 18 or send them requests for personal information.

Third party sites

Ossi Connectors A/S website contains links to other sites. Ossi Connectors A/S does not share your personal information with those websites and is not responsible for their privacy practices. We encourage you to learn about the privacy policies of those companies.

Our website may contain links to websites operated by other companies. Some of these third party websites may be co-branded with an Ossi Connectors A/S logo, even though they are not operated or maintained by Ossi Connectors A/S. Although we choose our business partners carefully, Ossi Connectors A/S is not responsible for the privacy practices of websites operated by third parties that are linked to our site. Once you have left our website, you should check the applicable privacy policy of the third party website to determine how they will handle any information they collect from you.

Changes to this privacy policy

Ossi Connectors A/S will amend this policy from time to time. If we make any substantial changes in the way we use your personal information we will make that information available by posting a notice on this site.

For further information

If you have any further questions or concerns about our collection, use, or disclosure of your personal information, we kindly ask you to contact us:
