

Ossi Connectors A/S compliance to EU Directive 2006/1907/EC article 59 and REACH Legislation.

Introduction

This document describes the extent to which Ossi Connectors A/S products not contain any substances* that are subject to current legal restrictions according 2006/1907/EC article 59 and REACH Legislation.

Compliance with currently applicable legal requirements

To our knowledge all products developed, manufactured and delivered by Ossi Connectors A/S meet or exceed all currently applicable legal requirements regarding the presence of hazardous substances* in products, including EU Directive 2006/1907/EC.

Information regarding specific substances*

Revised and updated accurate information of substances* are to be found at the candidate list. This candidate list shows the substance names, EC number, CAS number, Date of inclusion, Reason for inclusion, Decision number and IUCLID 5 Substance Dataset.

Link to latest revision here:
